## Chapter 1 by Story Wars

But please do write for it

## Chapter 2 by Conny Egozi

Write but do not read? But surely someone must have read this to write a response as I have read this.

So I have disobeyed the First Law of this story.

What does it mean for Story Wars? How will this affect the carefully constructed, meticulously balanced realm?

Beware, fellow writers and readers, beware the changes to come and the consequences that must ensue from our cursed action of reading this story, it may be dire....
